CLASSROOM VOLUNTEER PROGRAM

WHAT IS THE UNSCRIPTED PROJECT?

Unscripted Project is an award-winning 501(c)3 nonprofit organization based in Philly with the mission of empowering young people to develop critical life skills like speaking confidently, collaborating effectively, and growing from mistakes all through the power of improvisational theater. We're an official partner for the Philadelphia School District, and we've worked with over 3,000 students to date. We've also been featured for our work on the Philadelphia Citizen, WHYY, and CBS Mornings.

SIGNATURE PROGRAM

Our core programming is a 10-week workshop series which takes place during the school day at Philly public middle and high schools. Over the 10 weeks, students will gain a robust introduction to improv and its applications to the classroom, workforce, and beyond. Each week will have a specific focus and will culminate in a showcase.

VOLUNTEER PROGRAM INFORMATION

- **What do volunteers do?:** Volunteers will support the Teaching Artist(s) by helping demonstrate games, overseeing small groups, and being an extra pair of eyes! Volunteers will never be assigned to a class without a Teaching Artist and are not expected to prepare curriculum.
- **Commitment:** The commitment for volunteers is 1-2 hours once a week for 10-weeks in either a middle or high school class. Training is one day for 3 hours.
- **Flexibility:** Volunteers can choose which day(s) and which time frames work best for their schedules!
- **Is improv experience required?:** Nope! Anyone can volunteer.
- **Why should you join our volunteer program?:** Log community service hours, get all travel to/from schools reimbursed, make a difference and give back to the Philly community!
